

The way to the conference venue from the Kokura Station

At the North Gate of the Kokura Station (near the Shinkansen Gate), go on the pedestrian deck toward the Rihga Royal Hotel Kokura (beige high-rise building). On the left side (Rihga Royal Hotel side), you can see a moving walkway toward and beyond the Rihga Royal Hotel. Use the moving walkways, passing the Rihga Royal Hotel on the right side, and go to the very end of them. Turn right to the AIM, and walk toward the entrance of AIM (left side). Enter into the AIM, going through the atrium, and literally trespass the AIM to the other side. Go down the escalator at the outside of AIM, and then turn right.

You will see the big and yellow conference logo on the top of the building—that building is the Kitakyushu International Conference Center.
