

## **Call for Nominations for IIOA Fellows**

Nomination of IIOA Fellows is open for new Fellows to be announced at the 25<sup>th</sup> IIOA conference scheduled to take place June 19-23, 2017 in Atlantic City, New Jersey, USA. IIOA members may nominate any members of the association according to the guidelines described below. For consideration during this year's nomination process, the current Secretary of the Fellows, Geoffrey Hewings, must receive all nomination materials (at [hewings@illinois.edu](mailto:hewings@illinois.edu)) no later than December 31, 2016. Selection of up to two additional Fellows will be made by vote of the current Fellows.

Fellows of the IIOA are elected to honor them for their scientific contributions to the field of input-output analysis broadly defined. Members of the IIOA, not themselves Fellows, are invited to nominate other members before December 31 2016. A nominee must have been a member of the IIOA for at least six years. Each nomination should include include: name, current address, current email, current institution, brief curriculum vitae, list of up to ten key publications, and a description of the candidate's contribution to input-output analysis of no more than 100-200 words. Two additional IIOA members, excluding the nominee and the Fellows, must provide letters of support for each nomination. Nominations from previous years are not carried over; in this case re-nominations will be required.

All Fellows are eligible to vote on the nominees. Up to two new Fellows of the IIOA may be elected, and any newly elected Fellows will be installed as such during a plenary event at the conference. Fellows may call themselves *Fellows of the IIOA* and have the right to free membership in the IIOA. Fellows have the obligation to further promote the development and to advocate suitable application of input-output analysis, broadly defined.

Thank you for your active participation. Geoffrey Hewings ([hewings@illinois.edu](mailto:hewings@illinois.edu))
